

Short cv

Pedro J. M. Costa

Employment

2013 to Present – Post-Doctoral Research Fellow and Invited Lecturer - University of Lisbon.

2012-2013 - Post-Doctoral Research Fellow and Invited Lecturer - University of Dundee.

2008-2012 – PhD student – University of Lisbon.

2002-2008 – Research assistant @ Faculdade de Ciências, Instituto Superior Técnico, Brunel University (UK) and Secondary School Science Teacher

- o 3 year experience as Invited Lecturer at the Dep. de Geologia da Fac. de Ciências da Univ. Lisboa.
- o 2 year experience as Part-time Lecturer at the Dep. Geography and Earth Sciences, School for the Environment, Brunel University, United Kingdom.

From 2002 to 2012, I participated in 8 EU or nationally funded R&D projects and worked as research assistant in Universities in Portugal and the United Kingdom

Main area of research

Sedimentology, Natural hazards, tsunami and storm deposits, heavy minerals, microtextures, Holocene

Education

2012- University of Lisbon, Lisbon, Portugal – PhD in Geology (Cum Laude) - Sedimentological signatures of extreme marine inundations

2006 - Brunel University, London, England – MPhil (Master) in Geography and Earth Sciences (Sedimentology)

2002 - Universidade de Coimbra, Portugal –BSc Geology (“Licenciatura” - 5 year degree)

Selected Publications
