## Offer Description

At the Faculty of Sciences of the University of Lisbon (FCUL), a call is open for the attribution of 1 (one) research grant for a Research Fellowship (BI), financed by Plano de Recuperação e Resiliência (PRR), through European Union (NextGenerationEU), under the scope of the Project "Resina Natural 21 (RN21)" (01/C12-i01/2021), according to the following conditions:

### Work plan:

- SNP array genotyping of selected pine trees;
- Analysis of SNPs in selected genotypes;
- Genome-wide association studies.

### Fellowship duration:

The grant is expected to start on august 2024. The contract, with a duration of 6 (six) months, on an exclusive basis, with the possibility of renewal for 6 (six) additional months.

### Form of presentation of applications:

Applications may be sent by e-mail, to the address [candidaturas@ciencias.ulisboa.pt](mailto:candidaturas@ciencias.ulisboa.pt), with the reference " BI-MESTRE-ICNCG-RN21-2", under penalty of not being considered for the competition.

Applications must be accompanied, compulsorily and under penalty of exclusion, by the following documents. No document, which must be submitted at the time of application, may be submitted after the deadline for submission:

- Personal data form and declaration of consent for communication of results via e-mail;
- Declaration under oath;
- Proof of enrolment, in the academic year 2023/2024, **in a non-awarding academic degree course integrated in the educational project of a higher education institution and developed in association or cooperation with one or several R&D Units;**
- Detailed and updated Curriculum Vitae;
- Photocopy of the qualification certificate(s) of the academic degree(s) required – Master degree and Graduation;
- If the academic degree, required in the present announcement as an admission requirement for the type of scholarship in question, was obtained abroad, you must submit one of the following documents: (See also the NOTES below)
  - Document proving the granting, by a Portuguese Institution, of the recognition or equivalence or registration of the academic degree;
  - Document proving that you have already applied for the recognition of the degree, which application must be submitted by the deadline for receipt of applications, inclusive.

### Notes:

1) The presentation of the proof of obtaining the recognition or equivalence or registration of the academic degree is a mandatory condition for signing the contract;

2) For academic degrees obtained in foreign countries, which have not yet obtained either recognition or equivalence or registration of the degree, it is necessary to recognise it, under the terms provided for in Decree Law no. 66/2018, of 16 August, combined with Ordinance no. 33/2019, of 25 January, as currently amended.
