Offer Description

At the Faculty of Sciences of the University of Lisbon (FCUL), a call is open for the attribution of 3 (three) research initiation scholarship is open at the **Faculdade de Ciências da Universidade de Lisboa** (FCUL), financed by FCUL, with the following conditions:

Work plan:

- Administration of computer systems;
- Preparation and maintenance of equipment and laboratories;
- Preparation and management of software installed on laboratory computers, ensuring its availability;
- Support for teaching and research activities, namely managing information systems and the services provided;
- Process automation.

Fellowship duration:

The scholarships for the first two classifieds are scheduled to begin in June 2024 and the scholarship for the third-placed team are scheduled to begin in October 2024. The contract, with an initial duration of 6 (six) months, on an exclusive basis, may eventually be, renewed once for an equal period of 6 (six) months.

Form of presentation of applications:

Applications may be sent by e-mail, to the address candidaturas@ciencias.ulisboa.pt, with the reference "3BII-DI-4", under penalty of not being considered for the competition.

Applications must be accompanied, compulsorily and under penalty of exclusion, by the following documents. No document, which must be submitted at the time of application, may be submitted after the deadline for submission:

- Personal data form and declaration of consent for communication of results via e-mail;
- Declaration under oath;
- Proof of enrolment, in the 2023/2024 academic year, in the scientific area of Computer Science and Engineering, in a technical higher vocational course, a bachelor's degree, an integrated master's degree or a master's degree or proof of holding a bachelor's degree and being enrolled in a course that does not confer an academic degree integrated in the educational project of a higher education institution, developed in association or cooperation with R&D units;
- Detailed and updated Curriculum Vitae;
- Photocopy of the qualification certificate(s) of the academic degree(s) required, if applicable;
- If the academic degree, required in the present announcement as an admission requirement for the type of scholarship in question, was obtained abroad, you must submit one of the following documents: (See also the NOTES below)
 - Document proving the granting, by a Portuguese Institution, of the recognition or equivalence or registration of the academic degree;

- Document proving that you have already applied for the recognition of the degree, which application must be submitted by the deadline for receipt of applications, inclusive.

Notes:

- 1) The presentation of the proof of obtaining the recognition or equivalence or registration of the academic degree is a mandatory condition for signing the contract;
- 2) For academic degrees obtained in foreign countries, which have not yet obtained either recognition or equivalence or registration of the degree, it is necessary to recognise it, under the terms provided for in Decree Law no. 66/2018, of 16 August, combined with Ordinance no. 33/2019, of 25 January, as currently amended.

Additional Information

Benefits

Monthly allowance and social security:

- The fellowship amount corresponds to € 601.12 (six hundred and one euros, twelve cents), according to FCT Regulation for Research Fellowships, published by Regulation no. 950/2019 in the Diário da República, 2nd series, no. 241, of 16th of December, amended by Regulation No. 643/2021, published in the Diário da República, 2nd Series, No. 135, of 14 July, and available in the link:

https://www.fct.pt/wp-content/uploads/2024/02/Tabela-de-Valores-SMM_atualizacao-2024.pdf

It will be paid monthly by bank transfer;

- The candidate to be hired may exercise his right to social insurance by joining the voluntary social insurance scheme, under the terms of the Statute of the Research Fellowship. The financing entities assume the costs resulting from the contributions provided for this Social Insurance, according to the Statute of the Research Fellowship.

Selection process

Selection criteria:

The applicable selection methods will be curricular evaluation and, eventually, a selection interview.

If the jury chooses to conduct a selection interview, it will be conducted with the 4 (four) candidates with the best classification in the curricular assessment.

In the event that the selection interview is held, the final evaluation will be obtained considering the following weightings: 50% for the curricular evaluation and 50% for the selection interview.

The selection methods are eliminatory, with candidates who obtain a rating lower than 9.5 in one of the selection methods or phases of the procedure being excluded, and the following method or phase will not be applied to them.

Selection committee:

Professor Mário João Barata Calha (President), Professor Alcides Miguel Cachulo Aguiar Fonseca (1st Effective Member), Filomena Maria Dias Marçal Ramos (2nd Effective Member), Professor Ana

Paula Pereira Afonso (1st Alternate Member) and Anabela de Almeida Pereira (2nd Alternate Member).

Form of publication/notification of results:

All candidates will be notified of the final result of the evaluation, sent to the email address used for sending the respective application, or by post, to the address given in the Personal Data Form, through a sorted list, in descending order of the final evaluation obtained.

Additional comments

Legislation framework:

- Research Fellowship Holder Statute - Law no. 40/2004, of August 18, amended by Decree-Law No. 202/2012, of August 27, by Decree-Law No. 233/2012, of October 29, by Law No. 12/2013, of January 29, by Decree-Law No. 89/2013, of July 9, and by Decree-Law No. 123/2019, of August 28;
- FCT Regulation for Research Fellowships - Regulation no. 950/2019 in the Diário da República, 2nd Series, no. 241, of 16 of December, amended by Regulation No. 643/2021, published in the Diário da República, 2nd Series, No. 135, of 14 July.
