Is the job funded through the EU Research Framework Programme?	Not funded by a EU programme
Is the Job related to staff position within a Research Infrastructure?	No

Offer Description

At the Faculty of Sciences of the University of Lisbon (Ciências ULisboa), a call is open for the attribution of 1 (one) research grant for a bachelor, financed by **Ciências ULisboa**, through Direção-Geral do Território (DGT), under the scope of the Project "Contrato de Cooperação N.º 5558 – CEXC/4623/2024 – SMOS-PRR", according to the following conditions:

Work plan:

- Implement a geodetic information system that includes the observed stations and GNSS observations;
- Process and analyze GPS observations performed at the geodetic vertices of the National Geodetic Network (*Rede Geodésica Nacional*, RGN);
- Verify the redundancy and simultaneity of observations between geodetic vertices and/or permanent stations;
- Identify potential gaps in the network observations and the need for some geodetic vertices' observation;
- Perform the National Geodetic Network (*Rede Geodésica Nacional*, RGN) adjustment.

Fellowship duration:

The grant is expected to start on December 2024. The contract, on an exclusive basis, without the possibility of renewal until the project end, date scheduled for 22nd November of 2025.

Form of presentation of applications:

Applications may be sent by e-mail, to the address candidaturas@ciencias.ulisboa.pt, with the reference " BI-MESTRANDO-SMOS-5", under penalty of not being considered for the competition.

Applications must be accompanied, compulsorily and under penalty of exclusion, by the following documents. No document, which must be submitted at the time of application, may be submitted after the deadline for submission:

- Personal data form and declaration of consent for communication of results via e-mail (see form below);
- Declaration under oath (see form below);
- Proof of enrolment, in the academic year 2024/2025, in the Master's degree in Geospatial Engineering at Sciences ULisboa;
- Detailed and updated Curriculum Vitae;
- Photocopy of the qualification certificate(s) of the academic degree(s) required - Bachelor degree;
- If the academic degree, required in the present announcement as an admission requirement for the type of scholarship in question, was obtained abroad, you must submit one of the following documents: (See also the NOTES below)
 - Document proving the granting, by a Portuguese Institution, of the recognition or equivalence or registration of the academic degree;
 - Document proving that you have already applied for the recognition of the degree, which application must be submitted by the deadline for receipt of applications, inclusive.

Notes:

1) The presentation of the proof of obtaining the recognition or equivalence or registration of the academic degree is a mandatory condition for signing the contract;

2) For academic degrees obtained in foreign countries, which have not yet obtained either recognition or equivalence or registration of the degree, it is necessary to recognise it, under the terms provided for in Decree Law no. 66/2018, of 16 August, combined with Ordinance no. 33/2019, of 25 January, as currently amended.

Where to apply

E-mail candidaturas@ciencias.ulisboa.pt

Requirements

Research Field Engineering » Other

Education Level Bachelor Degree or equivalent

Skills/Qualifications

Candidates must fulfill the following mandatory requirements:

- Bachelor's degree in Geospatial Engineering;
- Enrollment, in the academic year 2024/2025, in the Master's course in Geospatial Engineering at Sciences ULisboa;
- Experience in processing GNSS data and using ArcGIS Pro;
- Programming skills in Python and MATLAB.

If the academic degree required by the present announcement as an admission requirement for the type of grant in question was obtained abroad, the requirements mentioned in point "Form of presentation of applications" of this announcement regarding the qualification certificates shall be taken into consideration.

Specific Requirements

Preference will be given to candidates with the following requirements:

- Enrollment in the Master's program in Geospatial Engineering;
- Proficiency in the English language.

Additional Information

Benefits

BENEFITS

Monthly allowance and social security:

- The fellowship amount corresponds to € 990.98 (nine hundred ninety euros and ninety-eight cents), according to FCT Regulation for Research Fellowships, published by Regulation no. 950/2019 in the Diário da República, 2nd series, no. 241, of 16th of December, amended by Regulation No. 643/2021, published in the Diário da República, 2nd Series, No. 135, of 14 July, and available in the link:

https://www.fct.pt/wp-content/uploads/2024/02/Tabela-de-Valores-SMM_atualizacao-2024.pdf

It will be paid monthly by bank transfer;

- The candidate to be hired may exercise his right to social insurance by joining the voluntary social insurance scheme, under the terms of the Statute of the Research Fellowship. The financing entities assume the costs resulting from the contributions provided for this Social Insurance, according to the Statute of the Research Fellowship.

Eligibility criteria

Selection criteria:

The applicable selection methods will be curricular evaluation and, eventually, a selection interview.

If the jury chooses to conduct a selection interview, it will be conducted with the three (3) candidates with the best classification in the curricular assessment.

In the event that the selection interview is held, the final evaluation will be obtained considering the following weightings: 60% for the curricular evaluation and 40% for the selection interview.

The selection methods are eliminatory, and candidates who obtain a score of less than 9.5 in one of the selection methods or stages of the procedure will be excluded, and the next method or stage will not be applied to these candidates.

Selection committee:

Ana Cristina Navarro Ferreira (President), João Carlos da Costa Catalão Fernandes (1st Effective Member), João Manuel Calvão Rodrigues (2nd Effective Member), Fernando Jorge de Albuquerque Pina Soares (1st Alternate Member) and Cristina Maria Sousa Catita (2nd Alternate Member).

Form of publication/notification of results:

All candidates will be notified of the final result of the evaluation, sent to the email address used for sending the respective application, or by post, to the address given in the Personal Data Form, through a sorted list, in descending order of the final evaluation obtained.

Additional comments

Legislation framework:

- Research Fellowship Holder Statute - Law no. 40/2004, of August 18, amended by Decree-Law No. 202/2012, of August 27, by Decree-Law No. 233/2012, of October 29, by Law No. 12/2013, of January 29, by Decree-Law No. 89/2013, of July 9, and by Decree-Law No. 123/2019, of August 28;
- FCT Regulation for Research Fellowships - Regulation no. 950/2019 in the Diário da República, 2nd Series, no. 241, of 16 of December, amended by Regulation No. 643/2021, published in the Diário da República, 2nd Series, No. 135, of 14 July.
