## Offer Description

At the Faculty of Sciences of the University of Lisbon (Ciências ULisboa), a call is open for the attribution of 1 (one) research grant for a Master, enrolled in a course that does not confer an academic degree, financed by CIÊNCIAS in the area of sustainability sciences, and in partnership with the Center for Ecology, Evolution and Environmental Change (cE3c), according to the following conditions:

### Work plan:

- In the context of the activities of the CIÊNCIAS Sustainability Living Lab, the grant holder will be responsible for:
  - Map, compile and analyse data relating to the indicators identified in the 1st edition of the CIÊNCIAS Sustainability Report (2019-2021) and, eventually, propose new indicators;
  - Support the Sustainability Committee and the Safety, Health and Sustainability Office in preparing the 2nd edition of the Report (2022-2024);
  - Promote the implementation of activities and dissemination of the results of the Living Lab project(s), especially in scientific journals and events, and outreach initiatives.

### Fellowship duration:

The grant is expected to start on January/february 2025. The contract, with a duration of 12 (twelve) months, on an exclusive basis, without the possibility of renewal.

### Form of presentation of applications:

Applications may be sent by e-mail, to the address [candidaturas@ciencias.ulisboa.pt](mailto:candidaturas@ciencias.ulisboa.pt), with the reference " **Ref.<sup>a</sup> BI-MESTRE-ICNCG-GSSS**", under penalty of not being considered for the competition.

Applications must be accompanied, compulsorily and under penalty of exclusion, by the following documents. No document, which must be submitted at the time of application, may be submitted after the deadline for submission:

- Personal data form and declaration of consent for communication of results via e-mail;
- Declaration under oath;
- Proof of enrolment in a non-academic degree course that is part of the educational project of a higher education institution and developed in association or cooperation with one or more R&D Units;

- Detailed and updated Curriculum Vitae;
- Photocopy of the qualification certificate(s) of the academic degree(s) required - Master degree;
- If the academic degree, required in the present announcement as an admission requirement for the type of scholarship in question, was obtained abroad, you must submit one of the following documents: (See also the NOTES below)
  - Document proving the granting, by a Portuguese Institution, of the recognition or equivalence or registration of the academic degree;
  - Document proving that you have already applied for the recognition of the degree, which application must be submitted by the deadline for receipt of applications, inclusive.

**Notes:**

- 1) The presentation of the proof of obtaining the recognition or equivalence or registration of the academic degree is a mandatory condition for signing the contract;
- 2) For academic degrees obtained in foreign countries, which have not yet obtained either recognition or equivalence or registration of the degree, it is necessary to recognise it, under the terms provided for in Decree Law no. 66/2018, of 16 August, combined with Ordinance no. 33/2019, of 25 January, as currently amended.

## Where to apply

**E-mail** candidaturas@ciencias.ulisboa.pt

## Requirements

<b>Research Field</b>	Other
<b>Education Level</b>	Master Degree or equivalent

### Skills/Qualifications

**Candidates must fulfil the following mandatory requirements:**

- Master's degree in Conservation Biology;
- Enrolment in a course that does not award an academic degree integrated into the pedagogical project of a higher education institution and developed in association or cooperation with one or more R&D Units;
- Advanced knowledge of English;
- Experience disseminating and communicating science;
- Experience in team leadership;
- Motivation letter.

If the academic degree required in this notice as a condition for admission to the type of scholarship in question was obtained abroad, you must take into account what is mentioned in point 13 of this notice with regard to qualification certificates.

## Specific Requirements

### Preference will be given to candidates with the following requirements:

- Good knowledge of the CIÊNCIAS ecosystem and the activities of the Sustainability Living Lab;
- Good knowledge of R Studio/Excel/GIS tools;
- Experience in scientific writing;
- Good interpersonal relationship skills.

## Additional Information

### Benefits

#### Monthly allowance and social security:

- The fellowship amount corresponds to € 1.259,64 (one thousand two hundred and fifty-nine reais and sixty-four cents) , according to FCT Regulation for Research Fellowships, published by Regulation no. 950/2019 in the Diário da República, 2nd series, no. 241, of 16th of December, amended by Regulation No. 643/2021, published in the Diário da República, 2nd Series, No. 135, of 14 July, and available in the link:

[https://www.fct.pt/wp-content/uploads/2024/02/Tabela-de-Valores-SMM\\_atualizacao-2024.pdf](https://www.fct.pt/wp-content/uploads/2024/02/Tabela-de-Valores-SMM_atualizacao-2024.pdf)

It will be paid monthly by bank transfer;

- The candidate to be hired may exercise his right to social insurance by joining the voluntary social insurance scheme, under the terms of the Statute of the Research Fellowship. The financing entities assume the costs resulting from the contributions provided for this Social Insurance, according to the Statute of the Research Fellowship.

### Selection process

### Selection criteria:

The applicable selection methods will be curricular evaluation and, eventually, a selection interview.

If the jury chooses to conduct a selection interview, it will be conducted with the three (3) candidates with the best classification in the curricular assessment.

In the event that the selection interview is held, the final evaluation will be obtained considering the following weightings: 50% for the curricular evaluation and 50% for the selection interview.

The selection methods are eliminatory, and candidates who obtain a score of less than 9.5 in one of the selection methods or stages of the procedure will be excluded, and the next method or stage will not be applied to these candidates.

#### **Selection committee:**

Maria Margarida de Mello dos Santos Reis Guterres da Fonseca, Full Professor of the Animal Biology Department of CIÊNCIAS (President), Júlia Maria Almeida Marques Alves, Director of Services of the Technical Directorate of CIÊNCIAS (1st Effective Member) and Filipa Alexandra Cabecinha Pegarinhos, Coordinator of the CIÊNCIAS Safety, Health and Sustainability Office (2nd Full Member). Alternate members are Jorge Manuel Rodrigues de Sancho Relvas, Associate Professor with Habilitation of the Department of Geology of CIÊNCIAS (1st Alternate Member) and Miguel Centeno da Costa Ferreira Brito, Associate Professor with Habilitation of the Department of Geographical Engineering, Geophysics and Energy of CIÊNCIAS (2nd Substitute Member).

#### **Form of publication/notification of results:**

All candidates will be notified of the final result of the evaluation, sent to the email address used for sending the respective application, or by post, to the address given in the Personal Data Form, through a sorted list, in descending order of the final evaluation obtained.

#### **Additional comments**

#### **Legislation framework:**

- Research Fellowship Holder Statute - Law no. 40/2004, of August 18, amended by Decree-Law No. 202/2012, of August 27, by Decree-Law No. 233/2012, of October 29, by Law No. 12/2013, of January 29, by Decree-Law No. 89/2013, of July 9, and by Decree-Law No. 123/2019, of August 28;
- FCT Regulation for Research Fellowships - Regulation no. 950/2019 in the Diário da República, 2nd Series, no. 241, of 16 of December, amended by Regulation No. 643/2021, published in the Diário da República, 2nd Series, No. 135, of 14 July.
