Is the Job related to staff position within a Research Infrastructure?	No

Offer Description

At the Faculty of Sciences of the University of Lisbon (Ciências ULisboa), a call is open for the attribution of 2 (two) Research Initiation Grants, financed by Ciências ULisboa, in partnership with GEOxyz BV, under the scope of the Project "Hydrographic Study for Offshore Expansion" (Estudo Hidrográfico para a Expansão Offshore), according to the following conditions:

Work plan:

- Participate in the preparatory study of an offshore hydrographic project (Desktop Study);
- Participate in the processing of geospatial and hydrographic data;
- Correlate and integrate the processed data;
- Prepare a Final Internship Report (corresponding to the Master's Thesis).

Fellowship duration:

The grant is expected to start on February 2026. The contract, with a duration of 6 (six) months, on an exclusive basis, without the possibility of renewal until the project end, expected August 2026.

Form of presentation of applications:

Applications may be sent by e-mail, to the address candidaturas@ciencias.ulisboa.pt, with the reference " Ref.^a 2BII-DG ", under penalty of not being considered for the competition.

Applications must be accompanied, compulsorily and under penalty of exclusion, by the following documents. No document, which must be submitted at the time of application, may be submitted after the deadline for submission:

- Personal data form and declaration of consent for communication of results via e-mail;
- Declaration under oath;
- Proof of enrolment, in the academic year 2025/2026, in the Master's Degree in Geology at Ciências ULisboa.
- Detailed and updated Curriculum Vitae;
- Photocopy of the qualification certificate(s) of the academic degree(s) required - Bachelor's degree.
- If the academic degree, required in the present announcement as an admission requirement for the type of scholarship in question, was obtained abroad, you must submit one of the following documents: (See also the NOTES below)
 - Document proving the granting, by a Portuguese Institution, of the recognition or equivalence or registration of the academic degree;
 - Document proving that you have already applied for the recognition of the degree, which application must be submitted by the deadline for receipt of applications, inclusive.

Notes:

- 1) The presentation of the proof of obtaining the recognition or equivalence or registration of the academic degree is a mandatory condition for signing the contract;
- 2) For academic degrees obtained in foreign countries, which have not yet obtained either recognition or equivalence or registration of the degree, it is necessary to recognise it, under the terms provided for in Decree Law no. 66/2018, of 16 August, combined with Ordinance no. 33/2019, of 25 January, as currently amended.

Additional Information

Benefits

Monthly allowance and social security:

- The fellowship amount corresponds to € 651.12 (six hundred and fifty-one euros and twelve cents), according to FCT Regulation for Research Fellowships, published by Regulation no. 950/2019 in the Diário da República, 2nd series, no. 241, of 16th of December, amended by Regulation No. 643/2021, published in the Diário da República, 2nd Series, No. 135, of 14 July, and available in the site of FCT, I.P..

It will be paid monthly by bank transfer;

- The candidate to be hired may exercise his right to social insurance by joining the voluntary social insurance scheme, under the terms of the Statute of the Research Fellowship. The financing entities assume the costs resulting from the contributions provided for this Social Insurance, according to the Statute of the Research Fellowship.

Selection process

Selection criteria:

The applicable selection methods will be the average of the Bachelor's degree and a selection interview, also classified on a scale of 0 to 20 values.

The final evaluation will be obtained taking into account the following weightings: 40% for the average of the Bachelor's degree and 60% for the selection interview (held in English).

The selection method is eliminatory, and candidates who obtain a score lower than 9.5 are excluded.

Selection committee:

Professor João Daniel Casal Duarte (President), Dr. Carolina Morais Anselmo (1st Effective Member) and Dr. Tiago Rafael Bragança Carriço (2nd Effective Member). The alternate members are Dr. Fábio André Vieira Lopes (1st Alternate Member) and Prof. Dr. Filipe Medeiros Rosas (2nd Alternate Member).

Form of publication/notification of results:

This competition is advertised on the Sciences ULisboa and Euraxess websites.

All candidates will be notified of the final result of the evaluation, sent to the email address used for sending the respective application, or by post, to the address given in the Personal Data Form, through a sorted list, in descending order of the final evaluation obtained.

Additional comments

Legislation framework:

- Research Fellowship Holder Statute - Law no. 40/2004, of August 18, amended by Decree-Law No. 202/2012, of August 27, by Decree-Law No. 233/2012, of October 29, by Law No. 12/2013, of January 29, by Decree-Law No. 89/2013, of July 9, and by Decree-Law No. 123/2019, of August 28;
- FCT Regulation for Research Fellowships - Regulation no. 950/2019 in the Diário da República, 2nd Series, no. 241, of 16 of December, amended by Regulation No. 643/2021, published in the Diário da República, 2nd Series, No. 135, of 14 July.
