Public Notice - International Selection Procedure

PhD Scientific Researcher Recruitment (Initial Stage Researcher)

FCiências.ID/2025/DL57/BioISI/2

FCiências.ID - Associação para a Investigação e Desenvolvimento de Ciências, through its President of the Administration Board, hereby announces the opening of an international call for the recruitment of a Scientific Researcher with a PhD degree, in the category of Initial Stage Researcher, of the FCIências.ID Scientific Research Career, within the scope of the project EpiTARGET: Identification of the Target Cells for CFTR Rescue in the Airway Epithelium with Temporal and Spatial Control of Gene Editing (Ref. CFF/FARINH24G0/007467G224), financed by Cystic Fibrosis Foundation, in the form of an indefinite duration fixed-term employment contract, on an exclusive regime, according to the Portuguese Labour Code and Decree-Law No. 57/2016, of August 29th, as amended by Law No. 57/2017, of July 19th.

I. Admission Requirements

Portuguese nationals, foreign and stateless persons may submit applications to this selection procedure, provided they hold a doctoral degree* in Molecular Medicine and similar areas and fully comply with the following requirements:

- a) The PhD must have been granted less than 5 years;
- b) Demonstrated scientific and/or professional experience in primary cultures and culture of immortalized airway epithelial cells in relation with the human genetic disease Cystic Fibrosis and/or other respiratory diseases, assessment of transepithelial transport by Ussing Chamber measurements, cell transfection including gene editing, molecular cloning, PCR, quantitative PCR and digital droplet PCR - information provided in the CV and/or in the motivation letter;
- c) Experience in Western Blot, Immunoprecipitation and Immunofluorescence - information provided in the CV and/or in the motivation letter;
- d) Proven scientific experience in the above-mentioned topics, demonstrated by the quality and number (minimum of 5) of scientific articles published in peer-reviewed scientific journals - information provided in the CV and/or in the motivation letter.

* Please note that Degrees obtained in foreign countries need a Portuguese Recognition issued by a Portuguese high degree Institution, according to the [Decree-Law nr. 66/2018](#), of August 16th and the [Ministerial Order nr. 33/2019](#), of January 25th. The presentation of such Recognition is mandatory for contract signature. More information can be obtained in: <https://www.dges.gov.pt/en/pagina/degree-and-diploma-recognition>.

II. Preferential Requirements

- a) R&D activity in RNA and protein extraction, reverse-transcriptase quantitative PCR (RT-qPCR), protein electrophoresis and Western Blot - information provided in the CV and/or in the motivation letter;
- b) Experience in primary cultures and culture of immortalized cells of the airway epithelium - information provided in the CV and/or in the motivation letter;
- c) Relevant scientific and/or professional training in Biochemistry and Molecular Biology - information provided in the CV and/or in the motivation letter;
- d) Scientific publications - information provided in the CV and/or in the motivation letter;
- e) Proficiency in English (written and spoken) - information provided in the CV and/or in the motivation letter.

III. Applicable Law

1. Decree-Law No. 57/2016, of August 29th (RCD), in the wording conferred on it by Law No. 57/2017, of July 19th (RCD);

4. Administrative Procedure Code, as published in Decree-Law No. 4/2015, of January 7th, in its current version (CPA).

IV. Work plan

The work plan to be carried out consists of the production and characterization of bronchial cell lines for temporally and spatially controlled gene editing to correct mutations causing Cystic Fibrosis, including the following tasks:

- Production of new cell lines expressing the SplitABE tool under the control of cell-type-specific promoters;
- Functional analysis of the respiratory epithelium generated by the differentiation of cell lines after gene editing at different levels;
- Functional analysis of gene editing after the differentiation of the respiratory epithelium.

V. Composition of the Jury

In accordance to article 13 of the RCD, the members of the jury are:

- President - Prof Carlos M Farinha, Associate Professor with Habilitation, Faculty of Sciences, University of Lisboa;
- 1st Member of the jury - Prof Margarida Gama Carvalho, Associate Professor, Faculty of Sciences, University of Lisboa;
- 2nd Member of the jury - Prof Hugo Botelho, Assistant Professor, Faculty of Sciences, University of Lisboa;
- 1st Alternate Member of the jury - Prof Francisco Pinto, Assistant Professor, Faculty of Sciences, University;
- 2nd Alternate Member of the jury - Prof Bárbara Henriques, Assistant Professor, Faculty of Sciences, University

VI. Place of work

Work will be developed at the facilities of Research Center BioISI – BioSystems & Integrative Sciences Institute, in Campo Grande, Lisboa, Portugal.

VII. Contract Duration

The full-time indefinite duration fixed-term employment contract, on an exclusive regime, is expected to start in June 2025, and will last until the Work Plan referred to in section IV is completed. It will have an expected duration until 31/12/2027, will not exceed the limits set in the RCD, including an initial experimental trial period of 30 days.

IX. Evaluation of applications

1. Failure to comply with the Admission Requirements implies the non-admission of candidates in absolute merit.
2. According to article 5 of the RCD, the selection of the candidates approved in absolute merit will rely on the evaluation of their scientific and curricular achievements in the last five (5) years, taking into consideration the quality and relevance of the scientific production, and the professional activity indicated as more relevant by the candidate, within the scope of the project.
3. Based on the assessment of the candidates' scientific and curricular background in the last five (5) years, each member of the jury presents a justified proposal for admission (final classification equal to or greater than 70%) or exclusion (final classification below 70%) for each candidate, according to the evaluation criteria referred to in no. 5.
4. The final classification of candidates is given on a scale of 0 to 100%.
5. Evaluation of the relative merit of candidates, will rely on the following criteria:
 - a) Scientific publications in the area - 30%;
 - b) Motivation letter - 25%;
 - c) Participation in relevant scientific projects in the area - 35%;
 - d) Assessment of the reference letter(s) - 10%;
 - e) Interview, if deemed necessary by the jury - 10%.
6. The jury may decide to interview the 3 best ranked candidates [in criteria a) to d) of no. 5], for clarifications and improved explanations of curricular elements. If there is an interview, the sum of the classification obtained in the evaluation criteria a) to d) will correspond to 90% of the final classification and the interview will correspond to 10%.
7. The jury shall deliberate by means of a roll-call vote based on the evaluation criteria.
8. Minutes of the jury meetings are drawn up, summarizing all relevant elements considered by jury members, as well as their individual votes and justifications.
9. After completion of the evaluation process, the jury will draw up a ranking of successful candidates with their classifications.
10. Hiring will be decided by the Chairman of the Board of Directors of FCIências.ID, based on the final jury recommendation.
11. The candidates will be individually notified of the evaluation results by e-mail sent to the address indicated in the "Personal Data" section of the submitted form.
12. With the notification referred to in the no. 11, the hearing phase of interested parties referred to in Article 121 *et seq.* of the CPA will begin, and last for ten working days.
13. The possible pronouncement of the candidate in a prior hearing must be addressed to the President of the jury and submitted in writing to concursos@fciencias-id.pt. The President of the jury will convene a jury's meeting to produce the final decision, within thirty working days.
14. Within five working days of the final jury decision, the Chairman of the Board of Directors of FCIências.ID will approve it and the candidates will be notified.
15. The communication between FCIências.ID (concursos@fciencias-id.pt) and the candidates will be electronic and will comply with the following rules:
 - a) At the time of electronic submission of any document - namely in the case of no. 13 - the candidates must generate proof of "sent message".
 - b) FCIências.ID will send an email message acknowledging documents received to the email address used by the candidates, within two working days.
 - c) In case of absence of a confirmation receipt by FCIências.ID – showing the possibility of technical problems that should neither be the responsibility of the candidate nor FCIências.ID

- the candidates should contact FCIências.ID, with the proof referred to in point (a), to ensure delivery and proper receipt of the documents concerned.

X. Processing of personal data

1. FCIências.ID - Associação para a Investigação e Desenvolvimento de Ciências, as the responsible for processing the personal data, in accordance with the [General Data Protection Regulation](#), collects and processes the personal data requested in the context the job application, under paragraphs b) and c) of Article 6.1 of the General Data Protection Regulation (RGPD).
2.
