Offer Description

At the Faculty of Sciences of the University of Lisbon (Ciências ULisboa), a call is open for the attribution of 1 (one) research grant for a PhD student, financed by Programme Mar2030, through FEAMPA, under the scope of the Project "CoastNet 2030: Monitorização para a Gestão dos Ecossistemas Marinhos" (MAR-016.9.1-FEAMPA-00010), according to the following conditions:

Work plan:

- Development of new Coastnet indicators;
- Harmonization of ecological and environmental status indicators;
- Improvement of existing indicators, integrating complementary information.

Fellowship duration:

The grant is expected to start on July/August 2025. The contract, with a duration of 6 (six) months, on an exclusive basis, with the possibility of renewal until the project end, subject to budget availability.

Form of presentation of applications:

Applications may be sent by e-mail, to the address candidaturas@ciencias.ulisboa.pt, with the reference "Ref.^a **BI-DOUTORANDO-COASTNET-3**", under penalty of not being considered for the competition.

Applications must be accompanied, compulsorily and under penalty of exclusion, by the following documents. No document, which must be submitted at the time of application, may be submitted after the deadline for submission:

- Personal data form and declaration of consent for communication of results via e-mail;
- Declaration under oath;
- Proof of enrolment, in the academic year 2024/2025, in PhD course that is part of the educational project of a higher education institution and developed in association or cooperation with one or more R&D Units;
- Detailed and updated Curriculum Vitae;
- Photocopy of the qualification certificate(s) of the academic degree(s) required – MsC degree;
- If the academic degree, required in the present announcement as an admission requirement for the type of scholarship in question, was obtained abroad, you must submit one of the following documents: (See also the NOTES below)
 - Document proving the granting, by a Portuguese Institution, of the recognition or equivalence or registration of the academic degree;
 - Document proving that you have already applied for the recognition of the degree, which application must be submitted by the deadline for receipt of applications,

inclusive.

Notes:

1) The presentation of the proof of obtaining the recognition or equivalence or registration of the academic degree is a mandatory condition for signing the contract;

2) For academic degrees obtained in foreign countries, which have not yet obtained either recognition or equivalence or registration of the degree, it is necessary to recognise it, under the terms provided for in Decree Law no. 66/2018, of 16 August, combined with Ordinance no. 33/2019, of 25 January, as currently amended.

Where to apply

E-mail candidaturas@ciencias.ulisboa.pt

Requirements

Research Field Environmental science » Other

Education Level Master Degree or equivalent

Skills/Qualifications

Candidates must fulfil the following mandatory requirements:

- MsC in Ecology, Marine Biology or similar
- Experience in applying biological indicators and in non-indigenous marine species.

If the academic degree required by the present announcement as an admission requirement for the type of grant in question was obtained abroad, the requirements mentioned in point “Form of presentation of applications” of this announcement regarding the qualification certificates shall be taken into consideration.

Specific Requirements

Preference will be given to candidates with the following requirements:

- Knowledge of multivariate analysis.
- Knowledge of Geographic Information Systems.

Additional Information

Benefits

Monthly allowance and social security:

- The fellowship amount corresponds to € 1309,64 (one thousand three hundred and nine euros and sixty four cents), according to FCT Regulation for Research Fellowships, published by Regulation no. 950/2019 in the Diário da República, 2nd series, no. 241, of 16th of December, amended by Regulation No. 643/2021, published in the Diário da República, 2nd Series, No. 135, of 14 July, and available in the site of FCT, I.P..

It will be paid monthly by bank transfer;

- The candidate to be hired may exercise his right to social insurance by joining the voluntary social insurance scheme, under the terms of the Statute of the Research Fellowship. The financing entities assume the costs resulting from the contributions provided for this Social Insurance, according to the Statute of the Research Fellowship.

Selection process

Selection criteria:

The applicable selection methods will be curricular evaluation and, eventually, a selection interview.

If the jury chooses to conduct a selection interview, it will be conducted with the three (3) candidates with the best classification in the curricular assessment.

In the event that the selection interview is held, the final evaluation will be obtained considering the following weightings: 60% for the curricular evaluation and 40% for the selection interview.

The selection methods are eliminatory, and candidates who obtain a score of less than 9.5 in one of the selection methods or stages of the procedure will be excluded, and the next method or stage will not be applied to these candidates.

Selection committee:

Paula Maria Chainho de Oliveira (President), Ana Cristina Florindo de Brito (1st Effective Member), Ana Cristina Silva Bugio (2nd Effective Member - GGP member to be defined), Bernardo Silva Ruivo Quintela (1st Alternate Member) and Maria João Moura Botelho da Silva Correia (2nd Alternate Member).

Form of publication/notification of results:

This competition is advertised on the Sciences ULisboa and Euraxess websites.

All candidates will be notified of the final result of the evaluation, sent to the email address used for sending the respective application, or by post, to the address given in the Personal Data Form, through a sorted list, in descending order of the final evaluation obtained.
