At the Faculty of Sciences of the University of Lisbon (Ciências ULisboa), a call is open for the attribution of 2 (two) research grants for Graduates enrolled in a non-academic degree course, financed by Ciências ULisboa, according to the following conditions:

Work plan:

The work plan will include, among other things, practice-based and professionally oriented activities, namely:

- Administration of computer systems;
- Preparation and maintenance of equipment and laboratories;
- Preparation and management of the software installed on laboratory computers, ensuring its availability;
- Support for teaching and research activities, particularly by managing information systems and the services provided;
- Process automation.

Fellowship duration:

The grant is expected to start on September of 2025. The contract, with a duration of 12 (twelve) months, on an exclusive basis, with the possibility of renewal every 4 (four) months until it reaches 2 (two) years.

Form of presentation of applications:

Applications may be sent by e-mail, to the address candidaturas@ciencias.ulisboa.pt, with the reference "Ref.^a 2BI-LICENCIADO_ICNCG-DI ", under penalty of not being considered for the competition.

Applications must be accompanied, compulsorily and under penalty of exclusion, by the following documents. No document, which must be submitted at the time of application, may be submitted after the deadline for submission:

- Personal data form and declaration of consent for communication of results via e-mail;
- Declaration under oath;
- Proof of enrollment, in the academic year 2025/2026, in a non-academic degree course integrated into the educational project of a higher education institution and developed in

association or cooperation with one or more R&D Units or, alternatively (only applicable in July or August), a sworn statement that you meet the requirements to do so (see form below);

- Detailed and updated Curriculum Vitae;
- Photocopy of the qualification certificate(s) of the academic degree(s) required - bachelor degree;
- If the academic degree, required in the present announcement as an admission requirement for the type of scholarship in question, was obtained abroad, you must submit one of the following documents: (See also the NOTES below)
 - Document proving the granting, by a Portuguese Institution, of the recognition or equivalence or registration of the academic degree;
 - Document proving that you have already applied for the recognition of the degree, which application must be submitted by the deadline for receipt of applications, inclusive.

Notes:

1) The presentation of the proof of obtaining the recognition or equivalence or registration of the academic degree is a mandatory condition for signing the contract;

2) For academic degrees obtained in foreign countries, which have not yet obtained either recognition or equivalence or registration of the degree, it is necessary to recognise it, under the terms provided for in Decree Law no. 66/2018, of 16 August, combined with Ordinance no. 33/2019, of 25 January, as currently amended.
