

Call for awarding one Fellowship for Management of Science and Technology

Ref. BGCT-LIC-COCKLES

One Fellowship for Management of Science and Technology, for B.Sc. degree holders, is available with **Faculdade de Ciências da Universidade de Lisboa**, in the project “EAPA_458/2016 “COCKLES Co-Operation for Restoring Cockle Shellfisheries & its Ecosystem-Services in the Atlantic Area”, financed by Programme INTERREG Atlantic Area, under the following conditions:

1. **Scientific Area:** Marine Sciences

2. **Requirements for admission:**

Mandatory:

- B.Sc. in Marine Sciences, Oceanography, Marine Biology and similar;
- Relevant experience in biological sampling and laboratory analysis in the area of oceanography/phytoplankton;
- Relevant experience in analytical techniques of spectroscopy and chromatography (HPLC).

Preferencial:

- Relevant experience in multidisciplinary projects as a team player.

3. **Work Plan:**

- Participation in all field campaigns for sampling biological material in the Sado and Tejo estuaries;
- Provide support to all activities related with the experimental work with shellfish, mainly to:
 - a. Assess feeding preferences;
 - b. Estimate clearance rates.
- Perform all laboratory analyses needed;
- Compile and organize databases;
- Collaborate in the reporting and scientific outputs.

4. **Legislation framework:**

Law No. 40/2004, of August 18th, as amended and republished by Decree-Law No. 202/2012 of August 27th, by Decree-Law No. 233/2012 of October 29th, by Law No. 12/2013, of January 29th, and by Decree-Law No. 89/2013 of July 9th and Lisbon University Fellowships Regulation, published by Order (extract) No. 6977/2015 of June 23th (<https://dre.pt/application/file/67564222>).

5. **Place of work:**

The work will be developed at Faculdade de Ciências da Universidade de Lisboa.

6. **Scientific supervision:**

Ana Cristina Florindo de Brito, PhD.

7. **Fellowship duration:**

This fellowship is opened for 06 (six) months, renewable until a maximum period of 12 (twelve) months, which includes the first period. It is expected to begin in October 2018.

8. Monthly allowance and Social Insurance:

- 8.1. The fellowship amount to € 980,00 (nine hundreds and eighty euros), according to Lisbon University Fellowships Regulation (<https://dre.pt/application/file/67564222>). It will be paid monthly by bank transfer;
- 8.2. The candidate to be hired may exercise his right to social insurance by joining the voluntary social insurance scheme, under the terms of the Statute of the Research Fellowship. The financing entities assume the costs resulting from the contributions provided for this Social Insurance, according to the Statute of the Research Fellowship.

9. Selection criteria:

Candidates will be assessed based on their CV and, eventually, a selection interview.

Only candidates with scores higher than 75% in the CV evaluation will be considered, otherwise the fellowship may not be awarded.

Additionally, an interview (0-50%) can be conducted to the top 03 (three) candidates.

The final classification will be the arithmetic average of CV assessment and interview.

10. Selection Committee:

Ana Cristina Florindo de Brito, PhD (President), Paula Maria Chainho de Oliveira, PhD (1st Effective Member), Professor José Lino Vieira de Oliveira Costa (2nd Effective Member), Professor Bernardo Silva Ruivo Quintella (1st Alternate Member) and Professor Ana de Jesus Branco de Melo de Amorim Ferreira (2nd Alternate member).

11. Publication/notification of results:

The final results of the evaluation will become public, through a final grade ordered list which will be posted at the entrance hall of Faculdade de Ciências da Universidade de Lisboa, C4 building, Campo Grande, 1749-016 Lisboa.

All applicants will be notified of the results of the evaluation to the email address used for sending the respective application, or by post to the applicant's address.

12. Deadlines:

This call for applications is open from 10th to 23rd July, 2018.

13. Application:

Application may be sent via e-mail to candidaturas@ciencias.ulisboa.pt, with the subject "BGCT-LIC-COCKLES", or personally, during office hours (9.30 a.m. to 4.00 p.m.), at the office address of Núcleo de Expediente da Faculdade de Ciências da Universidade de Lisboa, Edifício C5, piso 1, Campo Grande, 1749-016 Lisboa, until the deadline, by attaching the following documents:

- **In the case of being Portuguese citizen**, copy of identification document (ID or citizen card);
- **In the case of not being Portuguese citizen**, copy of identification document (ID card or passport) as well as residence authorization, permanent residence authorization or long-term resident status, if applicable;
- If you agree to be notified for your email address, please send obligatorily the declaration annexed to this Notice;
- Certificates of qualifications of all obtained academic degrees, with final ranking;
- Curriculum Vitae, detailed and updated, stating obligatorily the full candidate's address;
- Document of employment status, indicating the nature of the bond and functions; this document can be replaced by a declaration under honor commitment if there isn't any professional activity or the provision of services;
- Cover letter;
- Optionally, letters of recommendation.

DECLARATION

_____ (name of the candidate), declare that if the selection jury chooses to communicate and or notify applicants by e-mail, I agree that such communications and or notifications are made to the email address used for submission of my application.
