FCiências.ID - Associação para a Investigação e Desenvolvimento de Ciências, through its Chairman of the Board of Directors, hereby announces the opening of an international call for the recruitment of a scientific researcher with a PhD degree, in the framework of the multiannual funding program contract of the **Centre for Ecology, Evolution and Environmental Changes (cE3c)**, Base funding (Ref. **UIDB/00329/2020**), funded by the Portuguese Science and Technology Foundation (FCT), in the form of an indefinite duration fixed-term employment contract on an exclusive regime, according to the Portuguese Labour Code and Decree-Law No. 57/2016, of August 29th, as amended by Law No. 57/2017, of July 19th.

I - Admission Requirements

Portuguese nationals, foreign and stateless persons may submit applications to this selection procedure, provided they hold a doctoral degree¹ in Biology or similar areas, have specialised skills and/or expertise on **information and database management concerning high nature value agro-forestry systems**, and fully comply with the following requirements:

- a) The PhD must have been granted at least 5 years ago;
- b) Scientific experience, demonstrated by publications in peer-reviewed scientific journals, in the topics of this call;
- c) Experience in the participation of national and/or international science projects in the scientific areas of this call;
- d) Experience in outreach activities in the scientific areas of this call;
- e) Experience in supervision of graduate students in the scientific areas of this call;
- f) The candidate must also have excellent proficiency in both Portuguese and English language (written and spoken).

¹ Please note that Degrees obtained in foreign countries need a Portuguese Recognition issued by a Portuguese high degree Institution, according to the [Decree-Law nr. 66/2018](#), of august 16th and the [Ministerial Order nr. 33/2019](#), of January 25th. The presentation of such Recognition is mandatory for contract signature. More information can be obtained in: <https://www.dges.gov.pt/en/pagina/degree-and-diploma-recognition>.

II. Applicable Law

1. Decree-Law No. 57/2016, of August 29th (RCD), in the wording conferred on it by Law No. 57/2017, of July 19th (RCD);
2. Portuguese Labour Code, as approved by Law No. 7/2009, of February 12th, in its current version (CT);
3. Regulatory Decree No. 11-A/2017, of December 29th;
4. Administrative Procedure Code, as published in Decree-Law No. 4/2015, of January 7th, in its current version (CPA).

III. Work Plan

The researcher's work plan is based on the objectives and description of the activities included in the Thematic Line 3 (high-nature-value agroforestry systems) of the Research Program Contract for the Centre for Ecology, Evolution and Environmental Changes (cE3c) (UIDB/00329/2020).

This thematic line is based on the United Nations and European Union Agendas that recognize the importance of the traditional agricultural and agro-forestry production systems of the Mediterranean region for the maintenance of biodiversity. The main goal is to promote research on these themes, on a long-term perspective, benefiting from the information previously assembled as the result of research carried out by cE3c members.

The specific objectives of the work plan are:

- i) Compilation, curation and analysis of the information generated by cE3c researchers on agro-forestry systems that have been addressed over their research, with an emphasis on cork-oak woodlands.
- ii) Evaluation and monitorization of ecosystem services of agro-forestry systems.
- iii) Leadership and collaboration on applications to calls that address the needs listed by the EU on the recently approved Green Deal, as well as by the EU Biodiversity Strategy for 2030.
- iv) Leadership and collaboration on scientific publications, post-graduate supervision and outreach activities in the scope of the call.
- v) Engagement and support to local and national stakeholders to promote solutions that reconcile production with conservation of natural value.

The work plan aims to fulfil the objectives of the base financing program contract (Ref. UIDB/00329/2020).

IV. Composition of the Jury

In accordance to article 13 of the RCD, the members of the jury are:

- President – Professor Doutor Rui Rebelo
