

## Call for tender

### Open Call for PhD Research Fellowships

FCIÊNCIAS.ID – Associação para a Investigação e Desenvolvimento de Ciências opens a call for the awarding of 3 (three) research fellowship(s), hereinafter designated by PhD Research Fellowships , in the scientific area of Mathematics/Applied Mathematics, under the Research Fellowship Regulation (*Regulamento de Bolsas de Investigação da FCT - RBI*) and the Research Fellowship Holder Statute (*Estatuto do Bolseiro de Investigação - EBI*).

The fellowship(s) will be financed by *Fundação para a Ciência e Tecnologia (FCT)* under the Collaboration Protocol for Financing the Multiannual Research Fellowship Plan for Doctoral Students, signed between FCT and the R&D Unit Centro de Matemática, Aplicações Fundamentais e Investigação Operacional, UIDP/04561/2020.

#### 1. APPLICATION SUBMISSION

The call is open from 17<sup>th</sup> June to 23h59 (Lisbon time), 30<sup>th</sup> June 2021.

The applications, and all the supporting documents described in this Call for tender must be submitted via (e-mail/ platform) and sent/submitted to [cmafcio@fc.ul.pt](mailto:cmafcio@fc.ul.pt).

Each applicant may submit only one application, under penalty of cancellation of all submitted applications.

Applicants providing false declarations or committing acts of plagiarism will be excluded from the application without prejudice of taking other corrective and punitive disciplinary measures.

#### 2. TYPE AND DURATION OF FELLOWSHIPS

Aiming to support advanced training, PhD Research Fellowships will be granted to applicants that fulfil the requirements to join a study cycle that allows to obtain a PhD degree and that wish to develop research work that allows obtaining that degree at the University of Lisbon.

The research activities leading to the attainment of the PhD degree will take place in Centro de Matemática, Aplicações Fundamentais e Investigação Operacional, which will be the host institution of the fellowship holder, without prejudice the work can be carried out in collaboration with more than one institution.

The research activities leading to the attainment of the PhD degree must be integrated in the activities plan and strategy of the Centro de Matemática Aplicações Fundamentais e Investigação Operacional, and should be developed under the Mathematical Sciences Doctoral Programs at the Lisbon University.

The duration of the fellowships is, as a rule, annual, renewable up to the maximum of four years (48 months) and cannot be granted for a period less than 3 consecutive months.

### 3. RECIPIENTS

PhD fellowships are aimed to applicants enrolled or that comply with the requirements to enroll in one of the Doctoral Program indicated in point 2 of this call and who wish to carry out research towards the attainment of the Doctor degree at the University of Lisbon, or in host institutions associated with it.

### 4. ADMISSIBILITY

#### 4.1 Applicants' Admissibility Requirements

The following citizens may apply to this call:

- National citizens or citizens of other member states of the European Union;
- Third-country citizens;
- Stateless individuals;
- Citizens holding a political refugee status.

To apply for the PhD Research Fellowship, it is necessary::

- To hold a Degree or Master's degree in **Mathematics/Applied Mathematics** or related areas;
- To be a citizen permanently and usually living in Portugal, in case the work plan associated to the fellowship proceeds, entirely or partially, in foreign institutions (in case of both in Portugal and abroad fellowships); this requirement is applicable to both national and foreign citizens.
- Not to have benefited from a PhD or a PhD in industry fellowship directly funded by FCT, regardless of its duration.
- Not to hold a PhD degree.

#### 4.2 Application's Admissibility Requirements

It is mandatory, under penalty of non-admissibility to the Call, to enclose the following documents to the application:

- Elements of identity card/citizen card/passport;
- Applicant's *Curriculum vitae* (CV);
- Certificates of academic degrees held by the applicant, compulsorily specifying the final classification and, if possible, the classifications obtained in all subjects taken, or, in alternative, applicant's declaration of honor, confirming that the bachelor's or master's degree was completed by the end of the application deadline;

- Record of recognition of academic degrees awarded by foreign higher education institutions and record of the conversion of the respective final classification to the Portuguese classification scale, or, alternatively, the applicant's declaration of honor that he obtained recognition of the foreign degree equivalent to that of graduate or master by the end of the application period;
- Motivation letter including work plan and indicating a supervisor;
- 2 Recommendation letter;
- To present/prepare and submit the application and all related documents, including motivation and recommendation letters, in Portuguese or in English.
- Other documents the candidate may consider relevant
- Regarding the above mentioned admissibility requirements, the following should be noted:
- In the case of academic degrees awarded by foreign higher education institutions, and in order to ensure the application of the principle of equal treatment to applicants holding foreign and national academic degrees, it is mandatory to recognize these degrees and convert the respective final classification for the Portuguese rating scale.
- The recognition of foreign academic degrees and diplomas, as well as the conversion of the final classification to the Portuguese classification scale can be requested at any public higher education institution, or at the Directorate-General for Higher Education (DGES, only in the case of automatic recognition ). Regarding this matter, it is suggested to consult the DGES portal at the following address: <http://www.dges.gov.pt>.
- Only applicants who have completed the cycle of studies leading to a Bachelor's or Master's degree by the end of the application period will be admitted. If they do not yet have a certificate of course completion, a declaration of honor from the applicants that they have completed the necessary qualifications for the purposes of the competition will be accepted by the end of the application deadline. The granting of the fellowship is always dependent on the presentation of proof of ownership of the academic qualifications necessary for granting the fellowship.

## 5. WORK PLANS AND SCIENTIFIC ORIENTATION OF THE FELLOWSHIPS

The work plan will be developed entirely at the University of Lisbon under the supervision of an integrated member of the Centro de Matemática, Aplicações Fundamentais e Investigação Operacional. To deepen, investigate and advance knowledge in an advanced topic in one of the areas: Nonlinear Analysis, Differential Equations, Geometry, Mathematical Logic, Dynamical Systems or Operational Research.

## 6. EVALUATION CRITERIA AND BONUSES

### 6.1 Evaluation Criteria

The evaluation considers the applicant's merit and the adequacy of the plan to the investigation carried out in the unit.

Applications considered admissible will be scored on a scale of (0 a 100) on each of the following evaluation criteria:

- Criterion A - Evaluation with a weight of 50%;
  - Subcriterion A1 – Master's degree final grade, with a weight of 15%
  - Subcriterion A2 – Bachelor degree, with a weight of 35%
- Criterion B – Motivation letter indicating the study topic, with a weight of 20%
- Criterion C – Interview, with a weight of 30%

For the purpose of the decision on granting fellowships, applicants will be ranked according to the weighted average of the classification obtained in each of the 3 criteria, translated by the following:

$$\textit{Classificação Final} = (0.15 * A1) + (0.35 * A2) + (0.20 * B) + (0.30 * C)$$

For tie-breaking purposes, the ranking of applicants will be based on the scores assigned to each of the evaluation criteria in the following order: criterion A, criterion C, criterion B.

**Important notice for applicants with degrees issued by foreign higher education institutions:**

- Applicants with diplomas issued by foreign higher education institutions can apply and will be evaluated with the same criteria as applicants with diplomas issued by Portuguese institutions, provided that they present, in their application, proof of recognition of academic degrees and conversion of the final classification for the Portuguese classification scale in accordance with the applicable legislation.
- Applicants with foreign diplomas who do not present proof of conversion of the final classification to the Portuguese classification scale will be evaluated with the minimum classification (0 %) in the criterion (A).
- In any case, fellowship contracts with applicants with diplomas issued by foreign institutions will only be concluded upon presentation of proof of recognition of academic degrees and conversion of the final classification, as indicated above.

Applicants whose application is scored with a final classification of less than (75) points are not eligible for granting a fellowship.

**6.2 Bonus**

Not applicable.

## 7. EVALUATION

The applicants' evaluation panel is composed by the following elements:

- Luis Gouveia, Faculty of Sciences of the University of Lisbon (panel coordinator)
- José Francisco Rodrigues, Faculty of Sciences of the University of Lisbon
- Mário Edmundo, Faculty of Sciences of the University of Lisbon
- Carlos Florentino, Faculty of Sciences of the University of Lisbon (substitute)
- Pedro Miguel Duarte, Faculty of Sciences of the University of Lisbon (substitute)
- Luis Sanchez Rodrigues, Faculty of Sciences of the University of Lisbon (substitute)

The evaluation panel will assess the applications according to the evaluation criteria indicated in this Call, considering the elements of assessment.

All panel members, including the Head coordinator, are committed to respect a set of responsibilities essential to the evaluation process, such as the duties of impartiality, the declaration of any potential conflict of interest situations and confidentiality. At all times during the evaluation process, confidentiality is fully protected and ensured in order to guarantee the independence of all opinions produced.

Panel members, including the coordinator, cannot be advisors or co-advisors of applicants with applications submitted to this Call.

For each application, a final evaluation form will be produced by the panel where the arguments that led to the classifications attributed to each of the evaluation criteria and sub-criteria are presented in a clear, coherent and consistent way.

Meeting minutes will be produced from the evaluation panel meetings, under the responsibility of all its members.

The minutes and their attachments must include the following information:

- Name and affiliation of all evaluation panel members;
- Identification of all excluded applications and reasoning respective reasons;
- Methodology adopted by the panel for cases considered to be particular;
- Final Evaluation Sheets for each applicant;
- Provisional ranking list and seriation of applicants, in descending order of the final ranking, of all applications evaluated by the panel;
- Conflict of interest statements by all panel members;
- Possible delegations of vote and competences due to excused absence.

## 8. RESULTS DISCLOSURE

The evaluation results are communicated via email to the email address used by the applicant to send the application/indicated in the application.

## 9. TERMS AND PROCEDURES FOR PRIOR HEARING, CLAIM AND APPEAL

Once the provisional ranked list of the evaluation results has been communicated, applicants who have an unfavorable provisional decision may use their right to dispute it during the preliminary hearing phase, which takes place within 10 working days, according to Articles no. 121 and the following of the Administrative Procedure Code (CPA).

The final decision will be disclosed after the analysis of the applicants' arguments presented during the preliminary hearing. Final decision can be claimed within 15 working days or, alternatively, appealed within 30 working days, after the communication of the final results, respectively. Applicants who choose to submit a complaint must address their statement to the member of the Board of Directors of the FCT with delegated competence. Applicants who choose to present an appeal must address it to the FCT Board of Directors.

## 10. FELLOWSHIP GRANTING REQUIREMENTS

Research fellowship contracts are signed directly with the FCT.

The following documents are of mandatory submission, upon conditional granting of the studentship for purposes of contracting thereof:

- a) Copy of the civil, fiscal and, when applicable, social security identification document(s)<sup>1</sup>;
- b) Copy of the academic degree certificates,;
- c) Presentation of the registration of recognition of foreign academic degrees and conversion of the respective final classifications to the Portuguese classification scale, if applicable;
- d) Document proving the acceptance and registration in one of the Doctoral Programs identified in this call;
- e) Supervisor(s) statement declaring to coordinate the work plan, as established in Article no. 5-A of the Statute for Research Fellowships (template will be made available by FCT) ;
- f) Institutional document supporting the applicant, issued by the institution(s) where the work plan will be

<sup>1</sup> The availability of these documents can be replaced, at the applicant's option, by presentation in person at the funding entity, which will keep the elements contained therein that are relevant to the validity and execution of the contract, including the civil, fiscal and security identification numbers and the validity of the respective documents.

- i) made available by FCT);
- j) Updated document proving the exclusivity dedication regime (template will be made available by FCT).

The granting of the fellowship is still dependent on:

- The fulfilment of all the requirements listed in this Opening Call;
- the results of scientific evaluation;
- the absence of unjustified non-compliance with the fellowship holder during previous s directly or indirectly FCT funded fellowships;
- FCT available budget.

The lack of any of the necessary documents to complete the contracting procedure implies the expiration of the fellowship granting and conclusion of the process; applicants have up to 6 months after the disclosure of the provisional granting to present all of the listed documents.

## 11. FUNDING

Fellowship's payment will start after returning the signed contract to FCT, which should happen within the 15 working days after its delivery.

The fellowships awarded under this call will be financed by FCT using the State Budget fund and, whenever eligible, using the European Social Fund (ESF), under the PORTUGAL2020 Programme, in particular, under *Programa Operacional Regional do Norte (NORTE 2020)*, *Programa Operacional Regional do Centro (Centro 2020)* and *Programa Operacional Regional do Alentejo (Alentejo 2020)*, or any other funding schemes that might be approved, according to the respective requirements.

## 12. FELLOWSHIP COMPONENTS

A monthly maintenance allowance is granted to fellowship holders, in accordance with the table in Annex I of the RBI.

. All studentship holders who

The fellowship may also include additional allowances, according to RBI's Article no. 18 and the values indicated in its Annex II.

All fellowship holders have a personal accident insurance related to the research activities, supported by the FCT.

All fellowship holders who are not beneficiaries of any social protection regime can use the right to social security through the voluntary social insurance regime, under the terms of the Contributory Scheme of the Social Security System. FCT will ensure the charges resulting from contributions under the terms and within the limits provided in Article 10 of the EBI.

## 13. PAYMENT OF THE FELLOWSHIP COMPONENTS

Payments due to the fellowship holder are made by bank transfer to the respective indicated account . The monthly maintenance allowance is paid on the first working day of each month.

Registration, enrolment or tuition fees components are payed directly by FCT to the national institution where the fellowship holder is enrolled in the PhD programme.

#### **14. TERMS AND CONDITIONS of PhD FELLOWSHIP RENEWAL**

The renewal of the fellowship always depends on the fellowship holder submission, within 60 working days prior to the renewal start date, of the following documents:

- a) declaration issued by the supervisor(s) and by the host institutions(s) attesting the work plan development and the evaluation of the respective activities;
- b) updated document proving compliance with the exclusive dedication regime;
- c) Declaration demonstrating the enrolment renewal in the study cycle leading to the PhD degree.

#### **15. INFORMATION AND PUBLICITY OF THE GRANTED FUNDING**

All the R&D activities carried out by the fellowship holder, directly or indirectly financed by the fellowship, namely communications, publications and scientific creations, as well as thesis, must include the reference to FCT and European Social Fund (ESF) financing. In particular, these references should mention the following operational programs: *Programa Operacional Regional do Norte (NORTE 2020)*, *Programa Operacional Regional do Centro (Centro 2020)* and *Programa Operacional Regional do Alentejo (Alentejo 2020)*, or additional funding schemes that might be approved. Insignia of FCT, MCTES, ESF and EU must therefore be included in the documents referring to these actions, according to the graphic rules of each operational program.

The disclosure of research results funded according to the RBI provisions must comply with the open access guidelines, publications and other research results in accordance with FCT rules. For all the fellowships, in particular in case of European funded actions, namely the ESF, may be performed monitoring and controlling actions by national or European entities according to the applicable legislation.

Fellowship holders must therefore collaborate and provide all the required information, including answering to surveys and evaluation studies in this area, even though the fellowship might have already ceased.

#### **16. NON-DISCRIMINATION AND EQUAL ACCESS POLICY**

FCT promotes a policy of non-discrimination and equal access, thus no applicant may be privileged, benefited, damaged or deprived of any right or exempt from any duty. This includes ancestry, age, sex, sexual orientation, marital status, family situation, economic situation, education, origin or social condition, genetic heritage,

reduced work capacity, disability, chronic disease, nationality, ethnicity or race, land of origin, language, religion, political or ideological beliefs or trade union affiliation.

## 17. APPLICABLE LEGISLATION AND REGULATIONS

The present Call is governed by this Opening Notice, the FCT Regulation of Research Fellowships, approved by the Regulation no. 950/2019, published in the Series II of the DR, of 16<sup>th</sup> of December, by the Research Fellowship Holder Statute, approved by Law no. 40/2004, of 18<sup>th</sup> of August, in its current version, and by other applicable national and European legislation.

FCT also recommends the careful reading of all the documentation supporting the application, namely, the Application Guide and the Evaluation Guide, available at FCT website at: <https://www.fct.pt/apoios/bolsas/concursos/individuais2021.phtml.en>.
