Public Notice - International Selection Procedure

PhD Scientific Researcher Recruitment (Initial Stage Researcher)

FCiências.ID/2021/DL57/MARE/1

FCiências.ID - Associação para a Investigação e Desenvolvimento de Ciências, through its Chairman of the Board of Directors, hereby announces the opening of an international call for the recruitment of a scientific researcher with a PhD degree, within the scope of “TRANSFISH – Transgenerational acclimation of temperate fish species to climate change” (Ref. PTDC/BIA-BMA/28647/2017, LISBOA-01-0145-FEDER-028647), financed by Fundação para a Ciência e a Tecnologia, I.P./MCTES through national funds (PIDDAC) and cofinanced by the European Regional Development Fund (ERDF) of the European Union, through the Lisbon Regional Operational Program and the Algarve Regional Operational Program of Portugal 2020 or other programs that may follow, in the form of an indefinite duration fixed-term employment contract on an exclusive regime, according to the Portuguese Labour Code and Decree-Law No. 57/2016, of August 29th, as amended by Law No. 57/2017, of July 19th.

I - Admission Requirements

Portuguese nationals, foreign and stateless persons may submit applications to this selection procedure, provided they hold a doctoral degree¹ in Sea Science or similar areas, and fully comply with the following requirements:

- a) The PhD must have been granted at least 2 years ago;
- b) Demonstrated scientific and/or professional experience in metabolic analysis and metabolic biomarkers in several marine organisms;
- c) The candidate must also have experience in marine fish culture techniques and performance of bioassays with marine fish and climate change.

¹ Please note that Degrees obtained in foreign countries need a Portuguese Recognition issued by a Portuguese high degree Institution, according to the [Decree-Law nr. 66/2018](#), of August 16th and the [Ministerial Order nr. 33/2019](#), of January 25th. The presentation of such Recognition is mandatory for contract signature. More information can be obtained in: <https://www.dges.gov.pt/en/pagina/degree-and-diploma-recognition>.

II. Applicable Law

1. Decree-Law No. 57/2016, of August 29th (RCD), in the wording conferred on it by Law No. 57/2017, of July 19th (RCD);
2. Portuguese Labour Code, as approved by Law No. 7/2009, of February 12th, in its current version (CT);
3. Regulatory Decree No. 11-A/2017, of December 29th;
4. Administrative Procedure Code, as published in Decree-Law No. 4/2015, of January 7th, in its current version (CPA).

III. Work Plan

TRANSFISH aims to study the transgenerational acclimation capacity of temperate marine fish, namely *Sparus aurata*, to climate change. The work plan is included in task 2 (ecophysiology) and task 4 (endocrinology) of the TRANSFISH project. The objectives of the work plan are:

- Assess the physiological conditions of marine fish after exposure to climate change conditions;

- Evaluation of the effect of ocean warming and acidification on the oxygen consumption of marine fish larvae after exposure of the parents to the same environmental conditions;
- Evaluate the effect of ocean warming and acidification on the metabolic pathways and enzymatic regulation of marine fish larvae after exposure of the parents to the same environmental conditions;
- Participation in the preparation of annual reports in the part corresponding to the work performed;
- Participation in potential disclosure actions;
- Participation in team meetings.

IV. Composition of the Jury

In accordance with article 13 of the RCD, the members of the jury are:

- President – Marta Pimentel;
- 1st Member of the jury – Rui Rosa;
- 2nd Member of the jury – Tiago Repolho;
- 1st Alternate Member of the jury – Vanessa Madeira;
- 2nd Alternate Member of the jury – Patrícia Anacleto.

V. Place of work

Work will be developed at the facilities of Research Center MARE-ULisboa: Marine and Environmental Sciences Centre, namely in the Laboratório Marítimo da Guia, Cascais, Portugal.

VI. Contract Duration

The full-time indefinite duration fixed-term employment contract is expected to start on October 2021, and will last until the Work Plan referred to in section III is completed. It will have an expected duration of 6 months, will not exceed the limits set in the RCD, including an initial experimental trial period of 30 days.

VII. Monthly Allowance

The gross monthly salary is stipulated in clause 1 a) of article 15 of the RCD, corresponding to level 33 of the Single Remuneratory Table, as approved by Government Order No. 1553-C/2008, of December 31st, updated by the decree-law nr. 10-B/2020, of March 20th, being 2.134,73 Euros, on an exclusive regime, plus holiday and Christmas allowances, as well as food allowance in the amount and conditions set out for workers with a legal employment relationship under the Labour Code.

VIII. Evaluation of applications

1. Failure to comply with the Admission Requirements implies the non-admission of candidates in absolute merit.
2. According to article 5 of the RCD, the selection of the candidates approved in absolute merit will rely on the evaluation of their scientific and curricular achievements in the last five years, taking into consideration the quality and relevance of the scientific production, and the professional activity indicated as more relevant by the candidate, for the project.

3. The final classification of candidates is given on a scale of 0 to 100%.
4. Evaluation of the relative merit of candidates, will rely on the following criteria:
 - a) Participation in relevant scientific projects in the area of ocean climate change effects on marine organisms, marine biology and ecology - 10%;
 - b) Scientific publications in the area of marine biology and ecophysiological responses of marine organisms to climate change - 70%;
 - c) Pedagogical and outreach activities, in particular in the context of promoting scientific practices, organization of courses, seminars and conferences, in the area of marine science, climate change and its effects on the marine biota 10%;
 - d) Assessment of the references provided by the candidate - 10%;
 - e) Interview, if deemed necessary by the jury - 10%.
5. The jury may decide to interview the three best ranked candidates [in criteria a) to d) of paragraph 4)], for clarifications and improved explanations of curricular elements. If there is an interview, the sum of the classification obtained in the evaluation criteria a) to d) will correspond to 90% of the final classification and the interview will correspond to 10%.
6. The jury shall deliberate by means of a roll-call vote based on the evaluation criteria.
7. Minutes of the jury meetings are drawn up, summarizing all relevant elements considered by jury members, as well as their individual votes and justifications.
8. After completion of the evaluation process, the jury will draw up a ranking of successful candidates with their classifications.
9. Hiring will be decided by the Chairman of the Board of Directors of FCIências.ID, based on the final jury recommendation.
10. The evaluation results will be published on the website of the FCIências.ID ("Concursos" tab). The candidates will be individually notified of the evaluation results by e-mail sent to the address indicated in the "Personal Data" section of the submitted form.
11. With the notification referred to in paragraph 10, the hearing phase of interested parties referred to in Article 121 *et seq.* of the CPA will begin, and last for ten working days.
12. The possible pronouncement of the candidate in a prior hearing must be addressed to the President of the jury and submitted in writing to concursos@fciencias-id.pt. The President of the jury will convene a jury's meeting to produce the final decision, within thirty working days.
13. Within five working days of the final jury decision, the Chairman of the Board of Directors of FCIências.ID will approve it and the candidates will be notified.
14. The communication between FCIências.ID (concursos@fciencias-id.pt) and the candidates will be electronic and will comply with the following rules:
 - a) At the time of electronic submission of any document - namely in the case of paragraph no 11 - the candidates must generate proof of "sent message".
 - b) FCIências.ID will send an email message acknowledging documents received to the email address used by the candidates, within two working days.
 - c) In case of absence of a confirmation receipt by FCIências.ID – showing the possibility of technical problems that should neither be the responsibility of the candidate nor FCIências.ID - the candidates should contact FCIências.ID, with the proof referred to in point (a), to ensure delivery and proper receipt of the documents concerned.

IX. Compliance with public policies

1. FCIências.ID actively promotes a policy of non-discrimination and equal access, so that no candidate can be privileged, benefited, disadvantaged or deprived of any right or exempt from any duty due to, inter alia, ancestry, age, sex, sexual orientation, marital status, family status, economic situation, education, social origin or condition, genetic heritage, reduced working capacity, disability, chronic illness, nationality, ethnic origin or race, territory of origin, language, religion, political or ideological beliefs and trade union membership.
2. Under the terms of D.L. No. 29/2001, of February 3, a disabled candidate has a preference in equal classification, which prevails over any other legal preference. Candidates must declare their respective degree of disability, the type of disability and the means of communication / expression to be used in the selection process, under the terms of the above-mentioned diploma.
