About
Promoted by the TWIN2PIPSA capacitation activities, this workshop aims to provide a strategic vision on the Excellent Science (Pillar 1) of Horizon Europe funding program, focusing on how the European Research Council (ERC) grants can leverage excellent frontier research within the European Research Area.

Attendees will be given an overview of ERC grant calls, with valuable insights on achieving successful submissions and navigating the review process, drawing from the testimonies of ERC experienced researchers. This workshop seeks to empower the CIÊNCIAS ULisboa community with expertise and skills required to successfully compete in ERC funding calls.

This workshop is open to all CIÊNCIAS ULisboa community, but registration is mandatory. Register [here](https://twin2pipsa.campus.ciencias.ulisboa.pt/).
