

SensUs

SensUs Event 2019

Managing rheumatic disease,
by measuring with ease!

TU/e

SensUs

AN INTERNATIONAL STUDENT COMPETITION

SensUs is the international competition on sensors for health. SensUs challenges student teams from all over the world to develop a biosensor for patients with rheumatic disease.

Get a glimpse of the future of healthcare and follow the livestream on the **30th of August** at <https://digital.sensus.org/>

“GET A GLIMPSE OF
THE FUTURE OF
HEALTHCARE”
