CALL FOR PROJECTS

SCIENCE BUSINESS

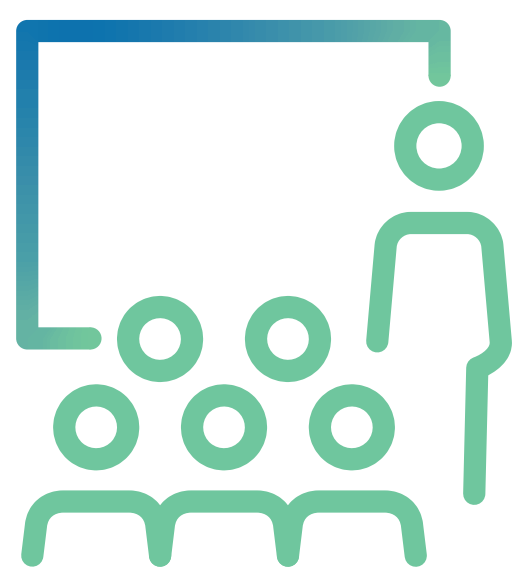

SCOUTING (UNTIL APRIL 17)

We want to get to know the best applied science and technology-based projects within ULisboa.

SELECTING (MAY 6/9/13)

We will train and mentor the applicants before choosing the 5 final projects.

CAPACITATION (MAY TO NOVEMBER)

We will provide tailor-made mentoring, training and networking opportunities to the final projects in order to help them get closer to the market.

FINAL EVENT (NOVEMBER 6)

We will host a pitch competition, open to investors and industry, to select a winning team for a €3000 prize and access to the next phase of the program.
