

CQE Days Spring Meeting 2019

30 – 31 May 2019 @ Academia de Ciências de Lisboa

Spring Meeting of Centro de Química Estrutural

Centro de Química Estrutural is organizing its 1st Spring Meeting – CQE Days.

It will take place at *Academia de Ciências de Lisboa* between May 30th and 31st 2019. The main purpose of the event is to highlight original research trends shared within and between CQE's new four Thematic Lines: Synthesis, Catalysis and Reactivity – **SYNCat**; Materials, Soft Matter and NanoChemistry – **MATSoft**; Sustainable Chemistry for the Environment, Energy and Manufacturing – **SUSChem**; and Medicinal and Biological Chemistry for Health – **MEDLife**. In addition to oral communications and poster sessions focusing on the science of CQE's young researchers, the program will include four keynote lectures from well-known invited researchers (non-CQE) and a round table at the end of the meeting to discuss hot research topics aligned with the CQE strategy. The event will be free for all CQE members and includes lunch and coffee breaks at *Academia das Ciências*.

Communications for CQE Days Spring Meeting

The communications are intended to cover hot topics, with high interdisciplinary potential, to tackle the issue of cooperation between groups and thematic lines. The oral (15 min) and panel communications will be grouped taking into account the four Thematic Lines of CQE. The submitted abstracts will be evaluated by the Scientific Committee, which will decide the final form of presentation (oral or poster). Each communication should indicate the corresponding Thematic Line(s). Young researchers are invited to explore this opportunity to extend their network and to build up new collaborations. Prizes will be awarded for the best oral and poster presentations.

Coordinators of the Thematic Lines:

SYNCat: Luisa Martins

MATSoft: M. Fátima Montemor

SUSChem: Isabel Marrucho

MEDLife: Matilde Marques

**REGISTRATION IS FREE BUT
MANDATORY AT:**

<https://cqe.tecnico.ulisboa.pt/cqedays>

IMPORTANT DATES

Registration deadline – 15 May

Abstract submission – 04 to 24 de Abril

Acceptance feedback – 06 to 15 de May
