

ARE YOU THE ONE?

INFORMATICA POWERCENTER INTERNSHIP

WHAT YOU ARE LOOKING FOR

- Nine-months full paid internship
- Full-time professional experience
- Opportunity to grow & travel
- Great work environment
- Possibility of employment contract afterwards

WHAT WE ARE LOOKING FOR

Are you a recent graduate in the field of Information Management or Information Systems and Technologies? Are you proficient in English? Do you enjoy and would like to work in Data Integration and ETL (Extract-Transform-Load) processes using state-of-the-art development tools? Are you keen to have a first professional experience in an international and challenging Tech Hub?

If you answered “Yes” to all questions above, then you are the one!

Become part of an innovative IT services company implementing market-leading solutions to the Group AXA & to its banking and insurance companies all over the world. Join a large team of IT professionals worldwide of which 150 are based in Lisbon!

**We look forward to receiving your application until Feb 28th
at recruitment.axagspt@axa-groupsolutions.com**
