## Master in Cognitive Science

2022/2023

### 2<sup>st</sup> Phase of Applications

The Master Program in Cognitive Science of the University of Lisbon has as its primary goal to train of a new generation of experts who can combine its various disciplines into an integrated science of cognition, mind and brain, as well as to explore the application of the knowledge generated in this domain. To fulfil this goal, the program counts on the contribution of professors and researchers from Neuroscience (Faculty of Medicine), Cognitive Psychology (Faculty of Psychology), Computer Science (Faculty of Sciences), Linguistics (Faculty of Letters), and Philosophy of Mind and Cognition (Faculty of Letters).

#### 1. Number of vacancies

At least 6 vacancies (figure to be determined more precisely after 1<sup>st</sup> phase registration is over, by adding eventual further remaining vacancies)

#### 2. Admission requirements:

Admissible candidates are:

- a) Candidates holding a Portuguese bachelor degree or equivalent.
- b) Candidates holding a foreign bachelor degree granted by a State adhering to the Bologna equivalence principles.
- c) Candidates holding a foreign bachelor degree that the Scientific Committee of the program will consider as satisfying the goals of a bachelor degree.

#### 3. Admission procedure

3.1. For foreign candidates, the application must be submitted online at the applications platform of the Faculty of Sciences
