

## Staying at a ULisboa Student Residence (SASUL Residences)

Mobility students have the possibility to stay in these Residences which are administrated by the **Students' Support Office of the Social Services of ULisboa**.

However, it is not possible to guarantee accommodation for everyone. A few vacancies in these residences are reserved for international students attending the institution under the terms of the Mobility Programs (Erasmus+, Cooperation Agreements, among others).

### **How to apply:**

In case you wish to stay at a ULisboa Student Residence, please fill in the **Accommodation Form** (next page) and send it together with your Erasmus application documents to the Mobility Office of Faculdade de Ciências da Universidade de Lisboa.

We will then send the reservation request to the **Students' Support Office of the Social Services of ULisboa**.

The placements at the Residences are made accordingly to the arrival date of complete applications at our Office. We will inform you as soon as possible, by e-mail, if you have a place reserved in your name. The name and address of the Residence in which you will stay will be transmitted to you only upon arrival.
