

## **INTERNATIONAL CREDIT MOBILITY**

### **CALL FOR APPLICATIONS**

(Financial Contract Nº 2019-1-PT01-KA107-060632)

#### **What is International Credit Mobility?**

For over 25 years, Europe has been funding the Erasmus programme allowing more than three million students to have taken part of their studies at another higher education institution (HEI) in Europe. Erasmus+ has been, continuously, bringing these and many other opportunities, allowing for mobility to expand to other continents (between the so-called "Programme Countries" and "Partner Countries").

Erasmus+ now offers the opportunity for students to study and for staff to teach or train in HEIs beyond Europe. Likewise, students and staff from non-European countries are also offered the same opportunity - to engage in an exchange mobility in European HEIs. This is known as International Credit Mobility - an activity under KA1: Learning Mobility of Individuals.

"O Consórcio Amigo", consists of the Portuguese HEIs which are part of the network Rede de Estudos Ambientais dos Países de Língua Portuguesa (REALP), namely Universidade de Évora, Universidade Nova de Lisboa, Universidade de Aveiro, Instituto Politécnico de Tomar and Universidade de Lisboa.
